We are the five class representatives in the above-referenced appeal. On July 13, 2012, we filed pro se a Notice of Appeal, which was accepted by the Clerk. It has just been brought to our attention that the original notice of appeal may have a defect in form because it was signed by only one of us. It was not clear to us from the form that all of us must actually sign the form -- it has space for only one "signature" (singular). Nor did the instructions or Clerk's office ever advise us that all of us must sign. However, just to be sure, we are submitting with this letter an Amended Notice of Appeal signed by all five of us.

We apologize for any inconvenience and thank you for your assistance in this matter.

Yours truly
